Forgot to get your Valentine a gift? Or maybe the romance is new and you didn't realize you needed to get your sweetheart something? Whatever your reason for needing a last-minute gift, we've got you covered with these Delta-centric Valentines to make your boo giggle.

Loving you fills the void left by

CUNNINGHAM

You're the brown sugar on top of my Danner Hall oatmeal.

Can I **major** in **loving** you?

Your love takes me **HIGHER** than the Holt elevator.

My love for you is deeper than the koi pond.

I'd park in Shima 2 just to see you.
