

Share your **DELTA LOVE** this Valentine's Day

Don't have time to get your partner, loved one, or best friend a Valentine? We know it's challenging in times of inflation and five-day weekends, so the staff at Collegian made up some fun holiday missives for you to share with your favorite folks for the holiday of love.

You can cut out your own from a copy of the paper (or a few, we don't mind) or download this page to print at deltacollegian.net/valentine.

My love for you is **HOTTER**
than the **STEAM** rising
from a broken **HVAC** pipe.

Are you from the
Dreamers Success Center?
Because you make me feel so supported.

Like the
GHOSTS of
Atherton, my
love for
you will
never **DIE**

I miss you more than I miss the
